HIGH FLIGHT

Oh, I have slipped the surly bonds of
earth
And danced the skies on laughter-
silvered wings;
Sunward I've climbed, and joined the
tumbling mirth
Of sun-split clouds-and done a
hundred things
You have not dreamed of-wheeled
and soured and swung
High in the sunlit silence. Hov'ring
there,
I've chased the shouting wind along,
and flung
My eager craft through footless
halls of air.
Up, up the long, delirious, burning
blue
I've topped the windswept height
with easy grac-
Where never lark, or eagle flew.
And, while with silent, lifting mind
I've trod
The high untrespassed sanctity of
space,
Put out my hand, and touched the
face of God.

Mr. Albert Vaughn - Superintendent

Mr. Ron Hill - Assistant Superintendent

Mr. Jeff Taylor - Vice-Principal

Mrs. Sara Harder - Counselor

Mr. Ron Pirnie - Counselor

The Counseling Department strives to give the students personal touch in dealing with academic and personal problems. We are involved with career information, testing, and after-school planning. Our major projects this year were a teaching machine to teach basic skills and a career day for students.

Mrs. Charlotte Green - Secretary

Mrs. Lillian Sheirbon - Attendance Clerk

The purpose of the M.O. program is to give the students a chance to learn about their chosen occupation through first-hand experience. The foremost objective of the program is to provide the student-worker with essential general and related vocational information.

Mr. Steve Snider - M.O.

Mrs. Crowe - Secretary

Mr. Pat Higgins - Underclassmen English

Mrs. Barbara Louderback - Business

Mrs. Nancy Stanger - Advanced English

Mrs. Jan Ricketts - Communications

The Office Education Program at Kuna High School is designed to equip students with entry level skills in the clerical field.

The demands for office workers is on the rise and the instructors feel that students, who enter the program as freshmen or sophomores will be competitive in the job market upon completion of the program.

The English Department offers the students classes in English I, II, III, and IV. Courses are also offered in communications, speech, and drama.

The goal of this department is to give kids the ability to cope with day-to-day responsibilities and to leave them functionally literate. They also prepare college-bound students with a competitive grammar and composition background and an adequate sampling of various author's style and historic selections in literature.

Mrs. Marilyn Pettingill - Business

Mr. Mike Horkley - Science

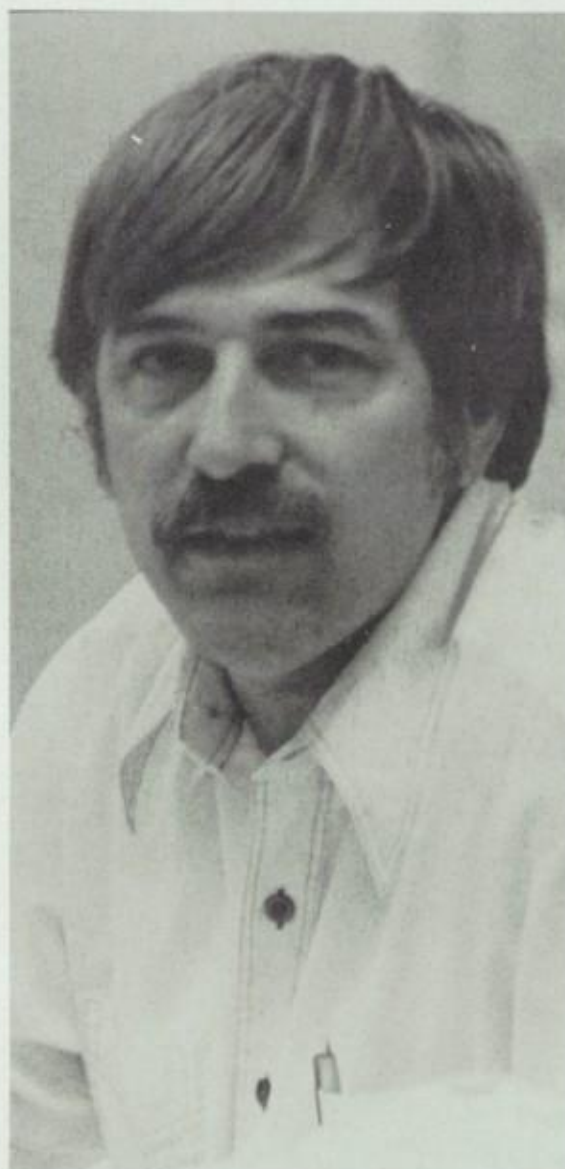

The Spanish I and II classes offer to Kuna High School students the opportunity to broaden their vocabulary and increase their knowledge of another country. By trying to learn another language, the students find a new understanding of their own.

Mr. Gary Larsen - Spanish

The Science Department at Kuna is designed to give insight to students in the realm of Life Science; dealing with zoology and botany. Classes are offered also in physics and chemistry. These classes are aimed towards teaching the students to think logically and to prepare them for college.

Mr. Gib Floyd - Science

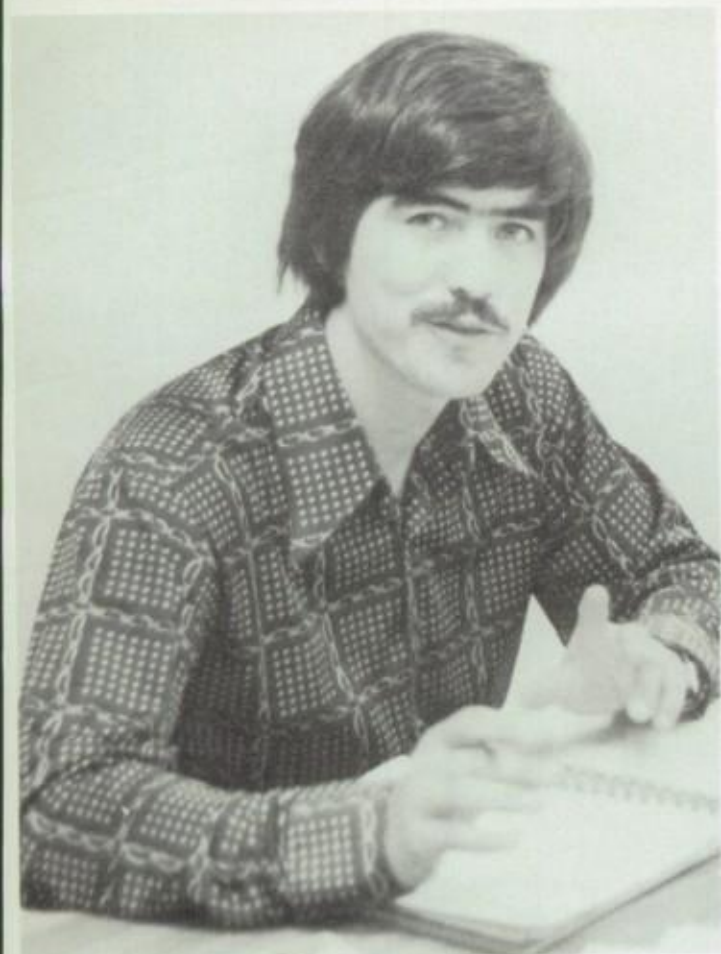

Mr. Ron Silva - Mathematics

The Math Department is trying to offer both college-preparatory classes and classes which will give the students basis to be better consumers in their lives ahead. All the math classes are designed to make the students use their heads to think out questions and come out with the correct answer.

Mrs. Alta Graham Mathematics

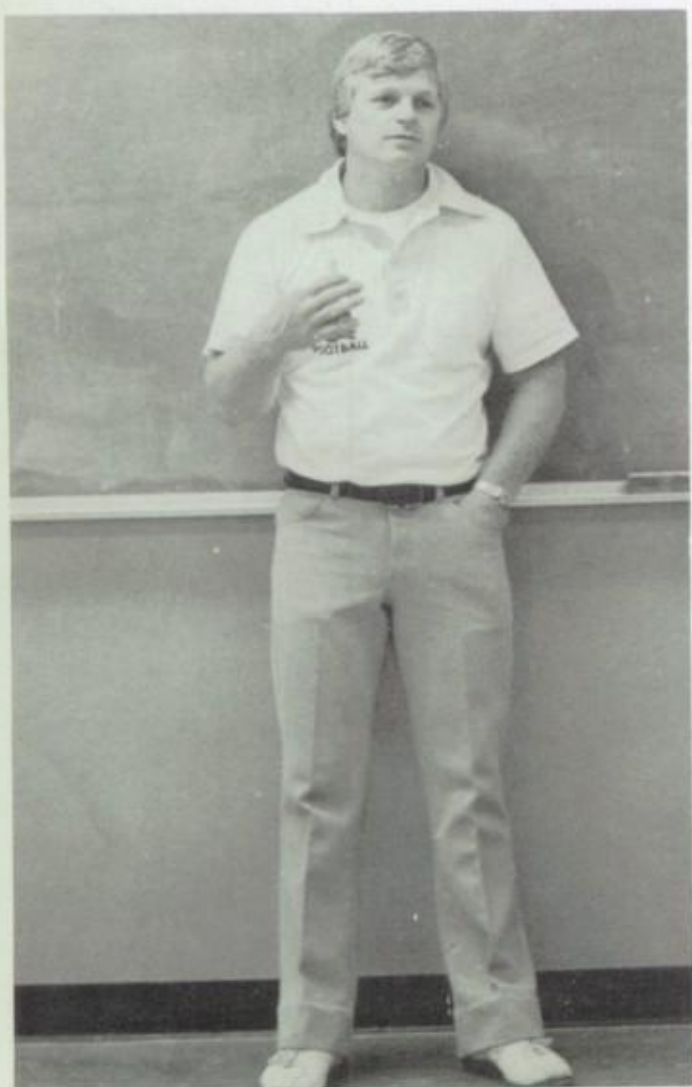

Mr. Dennis Laramie - Math and History

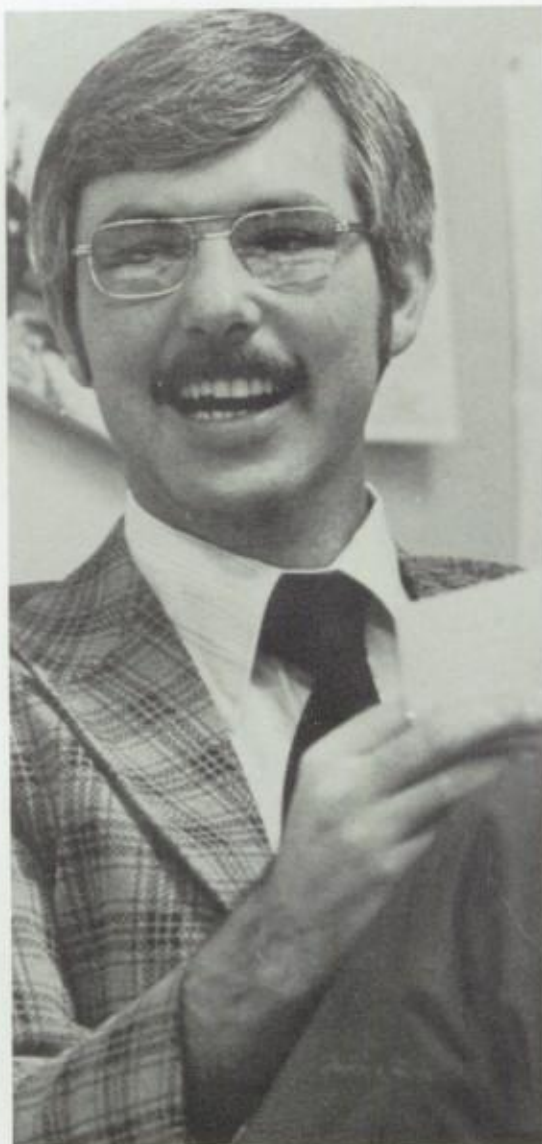

A wide variety of studies have been opened to Kuna students in the area of Social Studies. You could be involved in anything from reading maps to reading the daily newspaper. Students have been taught to understand history in new and interesting ways. They have been taught how workable history really is. The idea of responsibility to the government has also been stressed.

"Learning from the past to build for the Future", would be a good motto for the history department. Students were taught this aspect and also that "History is Alive!"

Mr. Bill Graham - Social Studies

Mr. Bob Holsclaw - Social Studies

Mrs. Jeannette Eisentrager - Special Education

Mrs. Barbara Shinn - Library

Mrs. Althea Woodall - Special Education

In the Resouce Room, we try to pick up skills needed by each student to help them succeed in their other classes. Some kids missed getting these skills because of moving from one schol to another, being absent, etc., or they may learn in a different way from that presented in the classroom. We teach what they need to know, the way they learn it best. Their work is hard and demanding. They are required to give 100 percent effort at all times.

Mrs. Jeanette Johnson - Journalism

The Journalism class this year was exceptionally large with 32 students. We've some outstanding individuals who will contribute a great deal to future staffs.

The staffs, both newspaper and yearbook, were made up of ten juniors and seniors. Together, we struggled to get photos taken and developed, stories written and typed, and layouts designed and completed. The purpose of all this has been to provide you with newspapers and a yearbook that would represent Kuna.

Mr. Jim Johnson - Band

Miss Barb Eisenbarth - P.E.

The KHS Music Department offers a variety of musical outlets to interested students. All classes are performance oriented except Music Theory. The goal of the department is to enhance and encourage student involvement and develop a sense of commitment and a deeper interest in music.

The P.E. and Life Sports programs are designed to motivate individuals to continue to be active in later life. There are many recreational sports introduced in a year. Some of these units are co-educational teaching the girls and boys to work together to improve physically, socially, mentally and emotionally. Written tests, as well as skills tests, are given at the end of each unit of study so the students know how well they have advanced in the study area.

Mr. Darrell Smith - P.E.

Mr. Don Walkup - Chorus

Mr. Ed Harper - Agriculture

The Vo-Ag Department offers four years of instruction in agriculture, agriculture-related fields, and in other usable skills. We try to get students to think, to use their minds to solve their problems, and to be proud of what they have done. We try and teach everything in some form during the course of a year.

Mr. Dan Sample - Agriculture

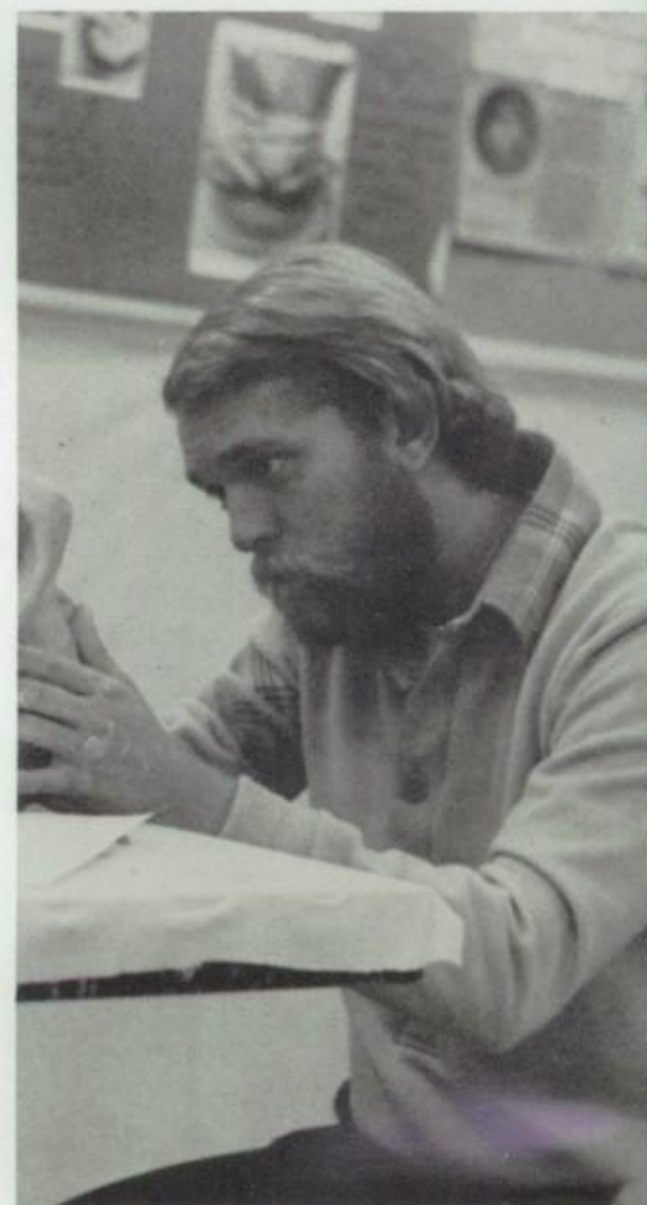

Mrs. Katherine Higgins - Home Economics

Home Economics has had three main goals this year. They are: to teach . . . (1) consumerism: learning to buy according to values, goals, needs, and finances. (2) everyone is a homemaker. (3) value clarification - if you are aware of them, decision making is easy.

Mr. Jim Clayton - Drafting

The Art Department is concerned with the entire realm of making and forming: the fact that the student artist or designer has a minimal background does not deter his productivity.

Mr. Skip Wood - Art

With a great deal of help from the advisors, Mr. Mike Horkley and Mr. Skip Wood, the Student Council has had a very successful year. The Student Council members have accomplished several things this year. They have revised the constitution, sponsored a successful homecoming, and provided a concessions during school as well as at games, through these efforts they managed to bring Student Council out of the \$1,500.00 debt from the previous year.

In the last year changes to the constitution were made reducing the number of officers, representatives, and club presidents, who were never part of Student Council. The reason for the change in the constitution is to set the ground work for writing a new constitution in the fall, after the four officers attend work shops this summer. The officers will be reduced from eight to four and the senators from six to two per class.

The Year

One and Only You

Every single blade of grass
And every flake of snow
Is just a wee bit different
There's no two alike, you know.
From something small, like grains of sand,
To that gigantic star,
All were made with this in mind:
To be just what they are!
How foolish, then, to imitate,
How useless to pretend,
Since each of us comes from a mind
Whose ideas never end.
There'll only be just ONE of ME
To show what I can do,
And you should, likewise, feel quite proud
There's only ONE of You.

Graduation Lament

Today's the day I graduate; To this School I come no more: This my goal of the past twelve years, is what I've been waiting for. The days were laced with fun and games. Along with my growing up: I've developed a personality-I've had to measure up. Not only on tests and with teachers, I had to make it with my peers. And now that struggle is over I feel like shedding tears. I'm going to miss my classmates, and the teachers' constant calls, I'm going to miss the notes and such we passed along the halls. With the diploma comes a sad thought-my adolescent years are gone now-now I must face reality.

With the support of the student body behind them, in spite of an unsuccessful season, our team learned a great deal about football. Recognition should go to seniors Lawrence Sharp, Randy Wolske, Carl Goicoechea, Kevin Hubble, Brad Shefstall and Chris Emmert for their outstanding efforts.

Varsity Football 89

Junior varsity football

The junior varsity football program is a good one and a very important step in building a good varsity team. The coaching staff feels that in years to come the training and experience gained on the junior varsity team will pay off and Kuna will have a team that everyone will be proud of and willing to support.

Cross country at Kuna High School was a surprising success in 1977. The varsity team missed qualifying for state by a single point. Strong performances were consistently turned in by Dan Meeker, Denny Doan and Steve Fields, with strong support from Jack Fisher, Larry Smithee and Clint Eshelman. Excellent improvement was turned in by junior varsity members Chuck Johnson, Jim Stamper and Jerry Flavel.

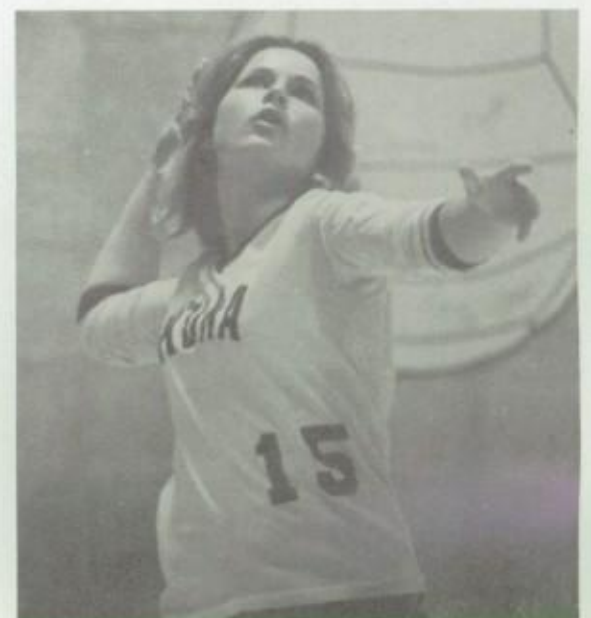

Varsity volleyball

From top to bottom: Row one: Assistant Coach Barb Eisenbarth, Julie Glass, Vicki Sevy, Joy Eisentrager, Kim Tullis, Marcy Murphy, Beth Neddo, Coach Jeanette Johnson. Row two: Leta Murphy, Rhonda Ladman, Dawn Mette, Anne Thornton, Sheri Mc Fadden, Debbie Eckroth, Donna Flood.

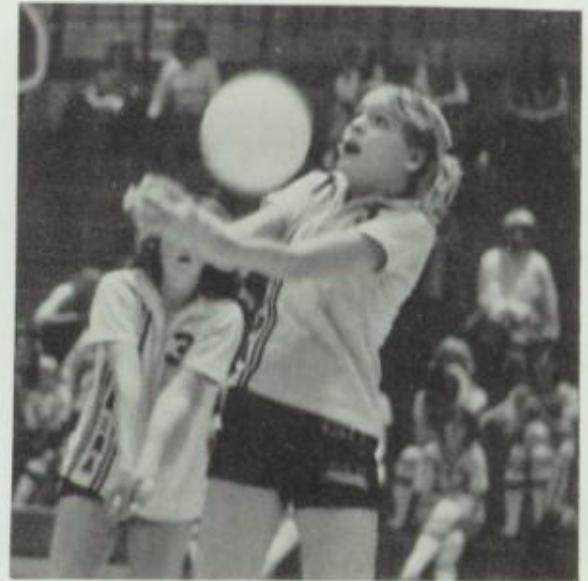

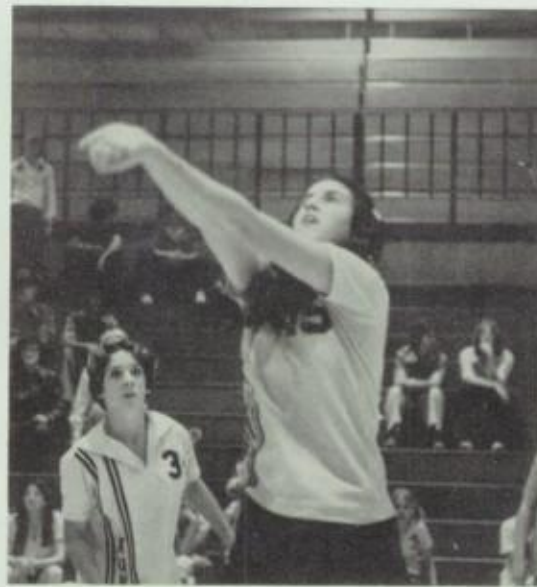

This year the varsity volleyball team had an outstanding season. With a record of 6-3, the team won the runner-up trophy for SRV and runner-up for District III. In order to gain a berth in the state tournament, the girls had to play-off with Boise High, defeating them in two games. At state the team eliminated after playing matches against Highland, Wood River and Meridian. The team will be losing five starting seniors who have done a super job in representing KHS.

Junior varsity volleyball

The junior varsity girl's volleyball team completed a very successful season. The team compiled an overall record of seven wins and two losses and an S.R.V. conference record of five wins and two losses. The losses were in close matches with Payette and Vallivue. The team was led by sophomores Dawn Mette, Beth Neddo, and Marcy Murphy, along with several outstanding freshmen players. Dawn, Beth and Marcy were moved up to varsity later in the season, as was Jennifer Russell.

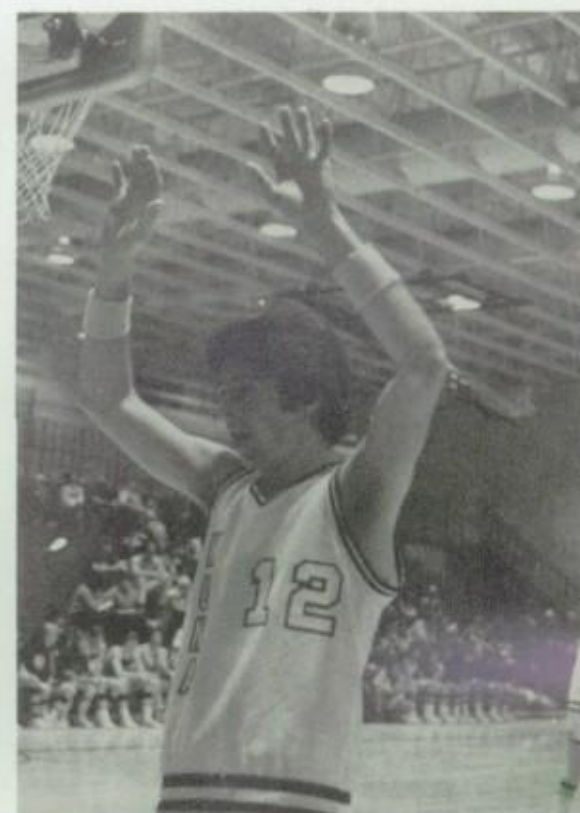

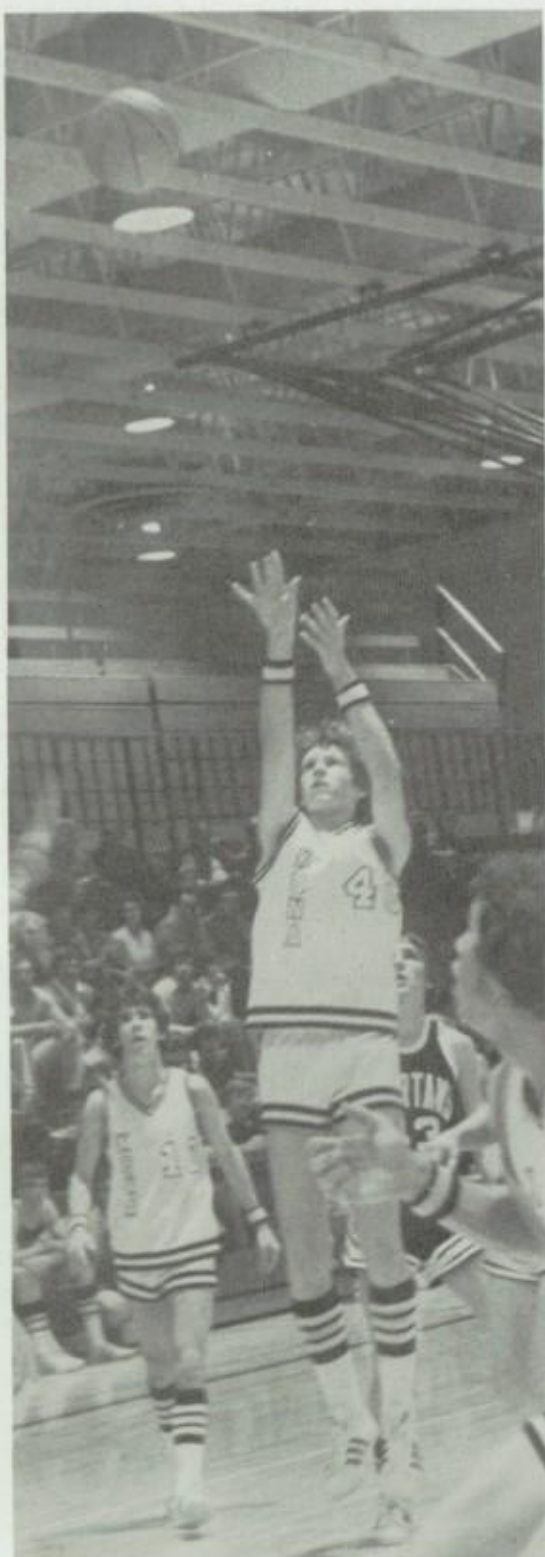

From top to bottom: Row one: Lynn Lolli, Coach Barb Eisenbarth, Ruth Hasson, Bonnie Reed, Jennifer Russell, Jana Habiger, Colleen Royer, Robin Nebeker, Debbie Cloyd, Connie Thornton, Julie Smith, Joyce Roberts, Melodi Westfall. Row two: Becky Uranga, Brenda Drake, Rhonda Lowe, Linia Calkins, Deanna Cardoza.

Varsity Basketball

The 1977-78 varsity basketball team was made up of a group of very unique young men. The greatest achievement these young men made was not their third place in the district tournament. Their greatest achievement was proving to themselves, their school and their community that they could be winners.

The center position was held down by John Anderson, 6'4" junior who was chosen as the second most valuable player in the conference. The forward positions were held down by Jeff Schmillan, a 6'1" senior and 6'3" junior Mark Habiger. Carl Goicochea, a 6' senior, who represented Kuna High in the district All-Star game, and Tom Forrey, a 5'11" junior filled the wing positions. John Goicochea, a 5'7" junior handled the point guard position, with back up from 5'9" senior Dan Meeker. The seniors of the K.H.S. ball club will definitely be missed, not only for their playing ability but for their attitude and their determination.

From left to right: Back row: Ernie Johnson, Carl Goicoechea, Jeff Schmillan, Mark Habiger, John Anderson, Dave Austad, Ken Kaldhusdal, Steve Fields, Chris Campbell. Front row: Assistant Coach Robert Holsclaw, Dan Meeker, Bill Hall, John Goicoechea, Tom Forrey, Head Coach Ron Silva.

Junior Varsity Basketball

The 1977-78 boys junior varsity basketball team consisted mainly of sophomores, with Keith Hahn and Mike Durante being the only upperclassmen. The team greatly improved as the season progressed. A transfer from New York, Mike Durante, proved to be a great asset to the team. At the low-post center position the J.V. had Ed Calkins, Denny Doan, Dave Reynolds, and Mike Durante. The wing position was held by Dan Theil, Mike Machos, Troy McCombs and Keith Hahn. Sharing duties as J.V. point guard were Layne Thornton and Mike Ciluaga.

From left to right: Dan Theil, Layne Thornton, Pat McCurdy, Denny Doan, Robert Wisdom, Will Guilliams, Ed Calkins, Dave Reynolds, Mike Machos, Joe Goichochea, Ed Randall, Troy McCombs, Mike Ciluaga, Coach Robert Holsclaw. Below: Steve Manning. Not shown: Keith Hahn and Mike Durante.

Freshmen Basketball

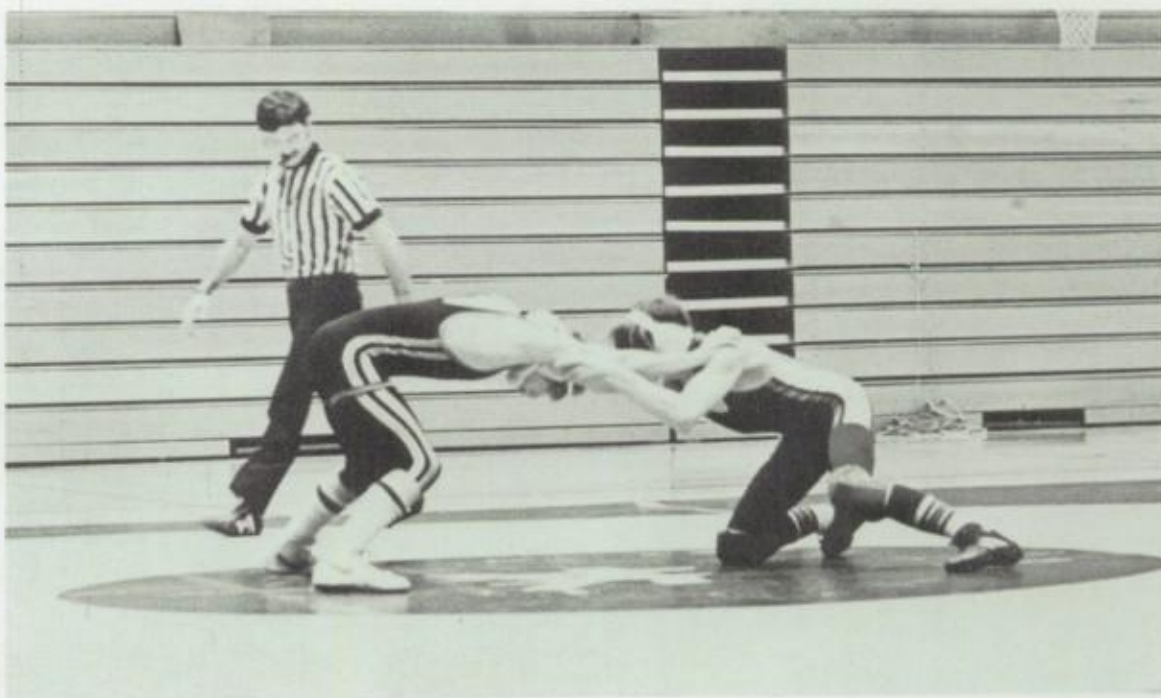

From left to right: Back row: Wayne Edwards, Ken Smith, Glen Kaldhusdal, Jeff Huggins, Dan Hull. Front row: Jim Christensen, Bryan Hahn, Mark Surles, Mike Whiting, Ken Brewer, Mark Goichochea.

The freshmen basketball team had a successful season in many ways. This year the freshmen players defeated the number one team in their league and looked great in doing so. Many of the players managed to improve their skills as the season continued. These skills will help them and Kuna basketball in years to come. They learned that team efforts count and yet provide a way for all to become stars in their own right. Kuna fans will see quite a bit of good basketball for the next few years.

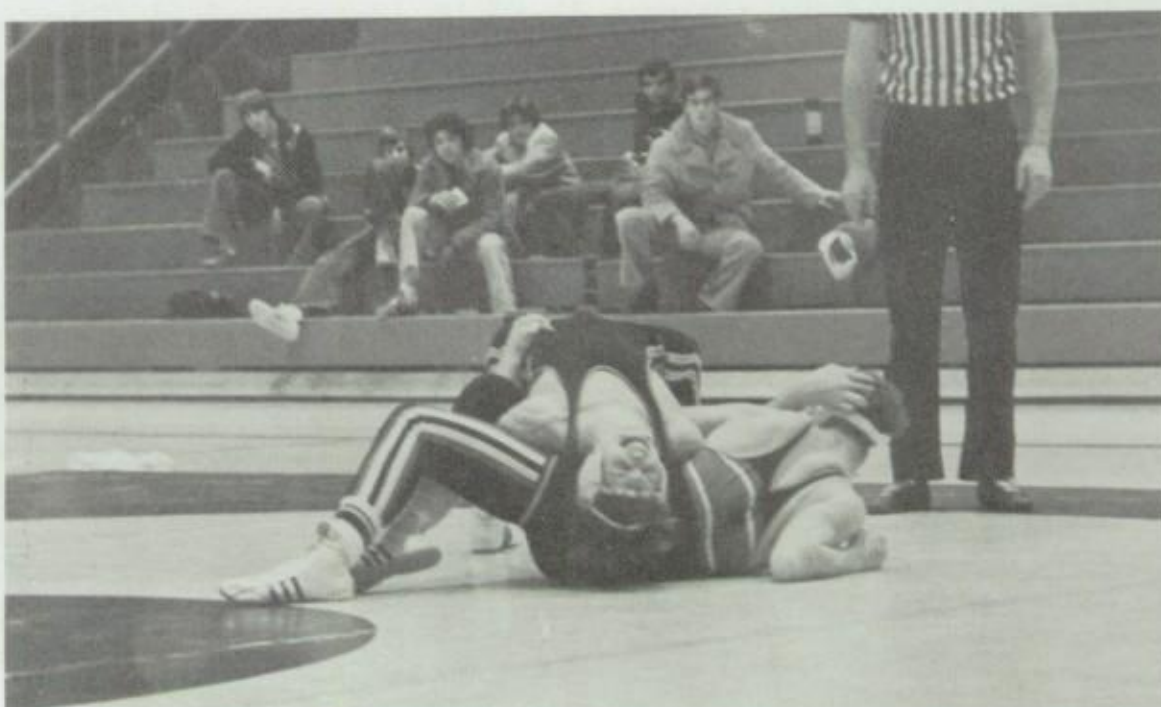

Wrestling

The season went well for the Kavemen wrestlers considering there were many young wrestlers on the team who lacked experience. Outstanding senior wrestlers were Rick Cardoza who finished fifth at state, and Lawrence Sharp who finished as state runner-up. Also turning in an outstanding season record was junior Tim Oswald, defending S.R.V. champion at 155 pounds, who ended the season with a record of 27-5.

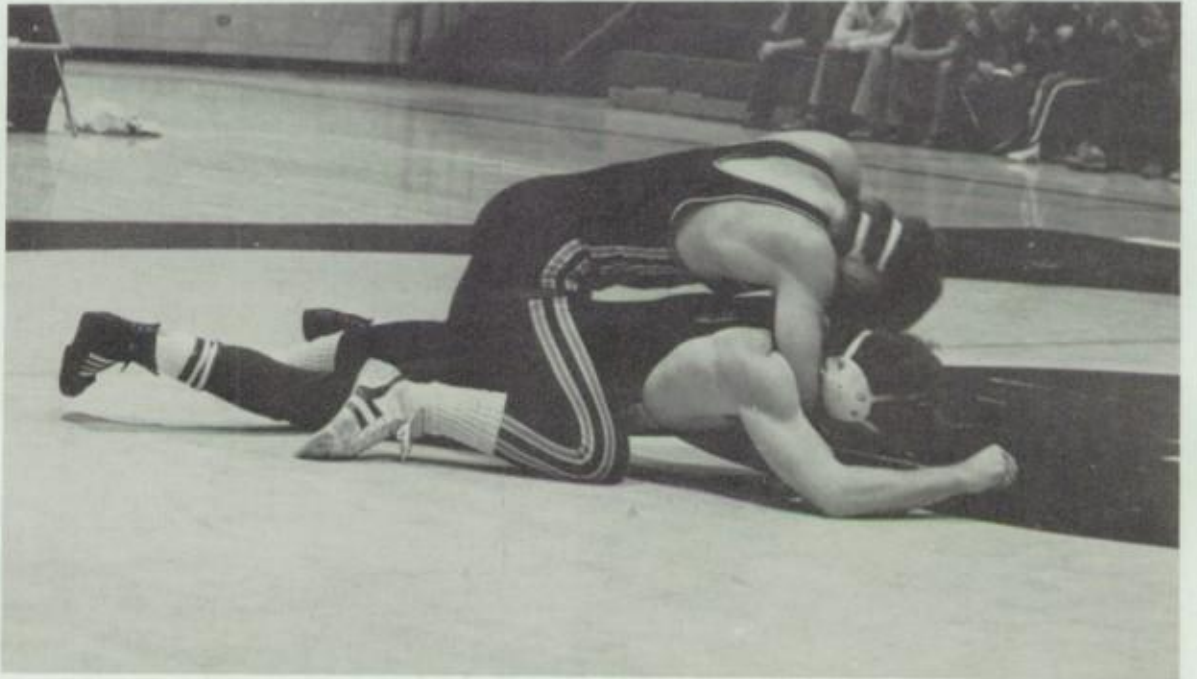

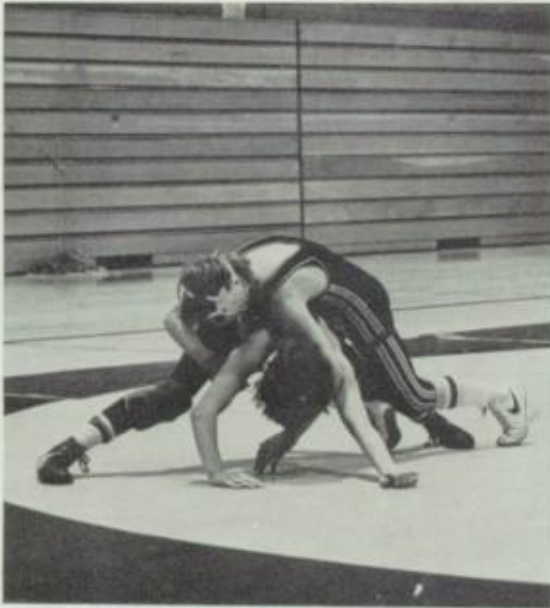

Head coach Jim Ghormley

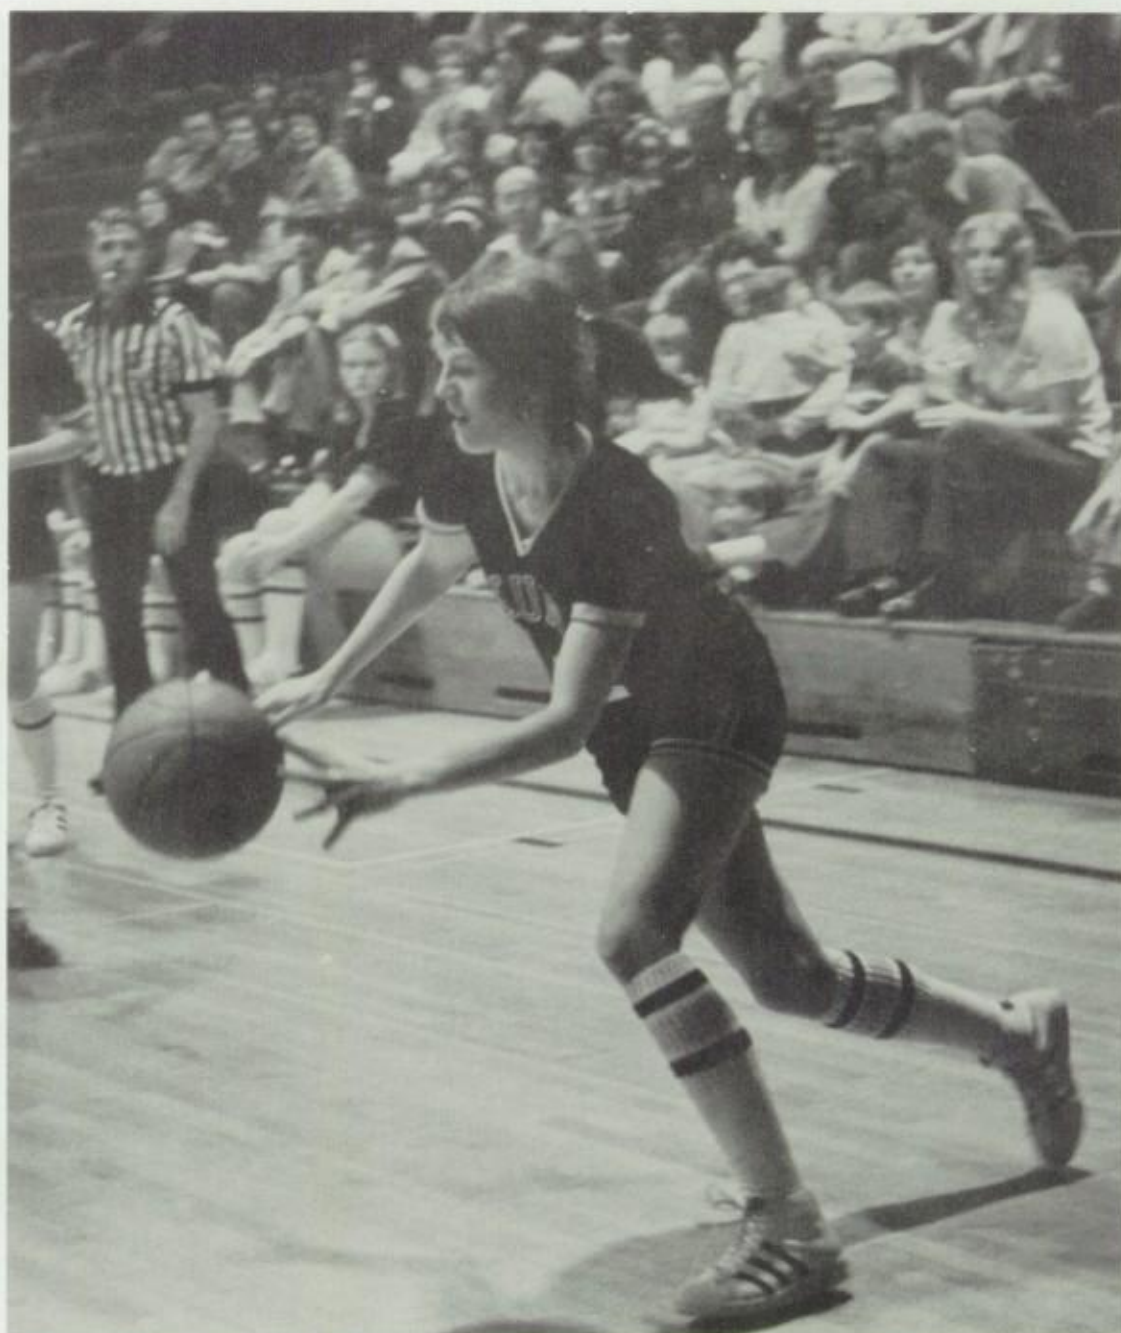

From top to bottom: Row one: Assistant wrestling coach Bill Graham, Steve Sevy, Bruce Smith, Curt Reynolds, Dan Moffis, Jerry Flavel, Todd Keller, Tim Ball, Assistant coach Darrel Smith. Row two: Lawrence Sharp, Tim Oswald, Tod Holaday, John Noble, Cary Reynolds, Jim Stamper, Rick Cardoza, Greg Fleming, Dan Spalding, Doug Balls.

Girls Basketball

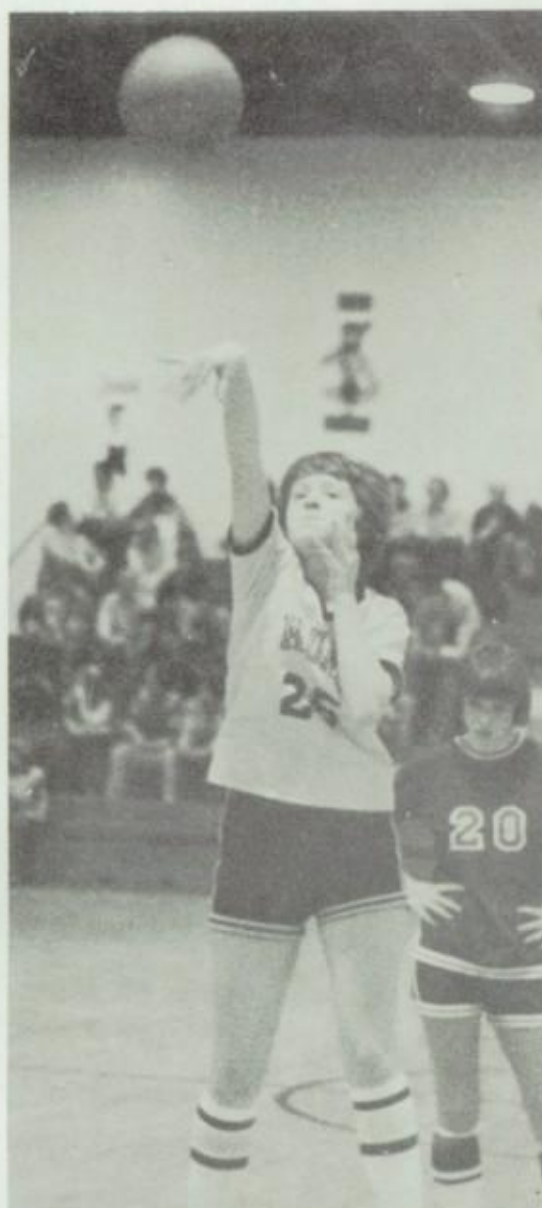

The Kuna girls basketball team won a state championship! Obviously that was the high point of the season; however to reach that point the team had to face a frustrating regular season and tremendous odds.

The team completed the regular season of play with a record of five wins and eleven losses. They entered the district tournament seeded sixth out of seven teams and came up with the runner-up title by beating conference champion Vallivue. From there Kuna entered the state tournament as the "Cinderella" team. They defeated Preston in the opening game and in so doing set a single game record of 51 points. They then played Rigby in the semi-finals and defeated them 35-31. That win put them in the finals against Grangeville. Kuna used strong defense and a controlled offense to defeat the defending champions in overtime to claim the title.

The team was led by the starting line-up of Anne Thornton, Joy Eisentrager, Pam Withrow, Julie Bowman and Becky Huff. Anne was the team leader in scoring and rebounding and was named most valuable player of the state A-2 schools. Joy Eisentrager was team captain and contributed to Kuna's outstanding defense. Julie Bowman, a junior, was their second leading scorer and rebounder and was leading scorer in the state championship game. Pam Withrow was floor leader on both offense and defense and was named to the second all-state team. Becky Huff, a sophomore guard, teamed with Pam in both offense and defense. In addition, the bench was a great contribution, both on and off the court. They included Cheryl Lewis, Kim Tullis, Kena Hack, Kathy Reed, Kathy Burchard and Lori Flavel.

The girls JV basketball team finished the season with a conference win-loss record of 8-3. Consisting of sophomores and freshmen, the squad earned the title of District III Runner-ups at the first JV tournament.

J.V. Baseball: Top to Bottom L to R: Mark Goiciechea, Troy McCombs, Ken Brewer, Duane Brothers, Top row: Bruce Smith, Andy Paulin, Mike Machos, Danny Hull, Joe Goicoechea, Keith Silva, and Coach Mike Hueter.

Varsity Baseball

The baseball team was the youngest average age team in the Snake River Valley League. Yet with the inexperience, the squad finished at fourth place.

Carl Goicoechea, senior, and Terry Schaffer, junior, were voted most valuable players on the team. Terry set a school record of 18 strikeouts against District Champions Bishop Kelly. Ken Clemens finished with the most hits on the team.

The girls track and field team finished fourth in the District III Track meet and sent eight competitors to State.

Anne Thornton led the team by consistently winning the 110 yard hurdles, the 440 yard dash, and anchoring the sprint medley relay throughout the season. In the process, Anne set a new District record in the 440.

At State, senior Denise Draper took the high jump competition. The 880 sprint medley team of Becky Uranga, Connie Huff, Rhonda Lowe, and Anne Thornton, shattered the SRV and District records before placing second in the State Competition.

Other team members qualifying for State were Nancy Crane, in the high jump, Kim Shearer and Julie Floyd in the 880 run.

Girls Track and Field Team, Bottom to Top L to R: Rhonda Lowe, Becky Uranga, Bonnie Reed, Anne Thornton, Connie Huff, Jody Post, Julie Floyd, Kim Shearer, Brenda Drake, Sylvia Barker, Pam Nyborg, Nancy Crane, Tanya Draper, Carri Douglas, Coach Barb Eisenbarth.

Not pictured - Kim Woodruff, Kevin Woodruff, Mark Legg, Gary Simonson, Brent Frahm, seniors Jeff Schmillen, Steve Fields, Lawrence Sharp, Roger Patterson.

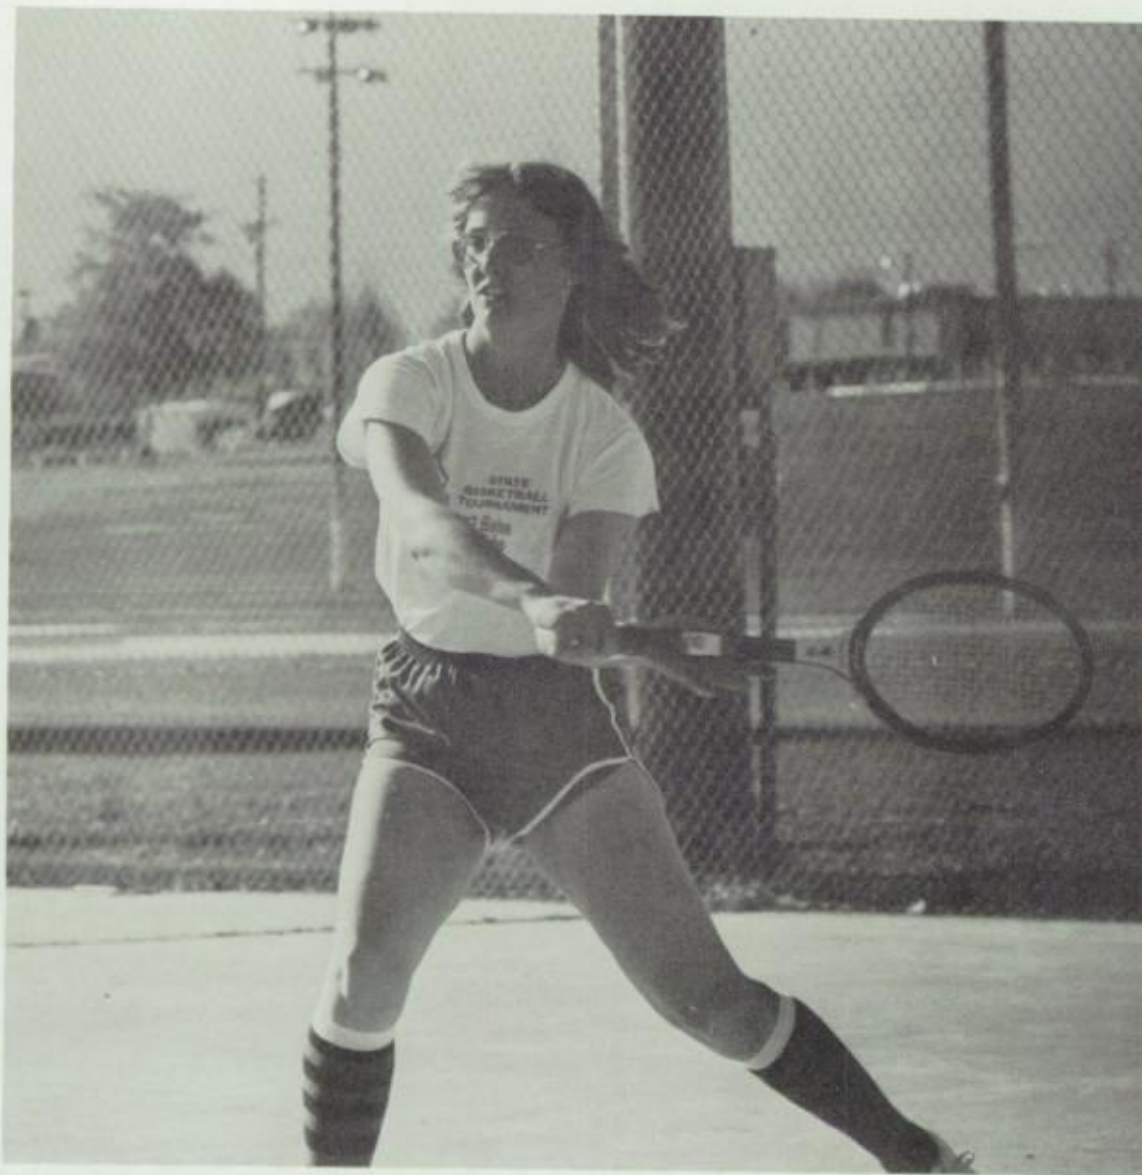

Coach Dale Bitner led the boys track field team. Largely due to his efforts, the track program offered its athletes a new cindered track to practice on this spring. Many community people graciously supported the efforts of the program in the construction of the new track.

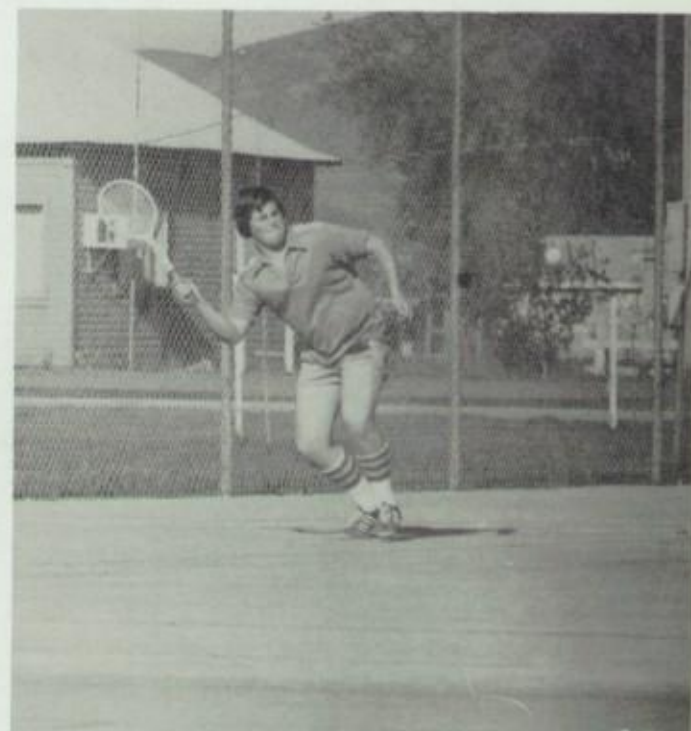

Some of the underclassmen were the better performers in the Snake River Valley. Two of these, Kim Woodruff and Wayne Edwards qualified for the State meet. Kim went on to place fourth in the pole vault.

Returning players saw first year players come from nowhere and win matches by the end of the year. This encouraged the returning players to improve right along with the newcomers, forming a successful building season.

We are working hard
to bring you natural gas.

Natural gas provides a third of America's energy. And the demand is growing. Because Natural Gas is clean energy.

With the gas industry we're working hard to bring you more gas. Importing liquified natural gas. Developing synthetic natural gas. Drilling deeper. And many other ways too.

These new ways cost more, but all forms of energy are costing more. Natural gas is still your best home energy value.
